Kristen DeVault

Match Support Specialist I since September 2026

Hi, I'm Kristen! Here's a little bit about me.

What does mentorship mean to you?

It means providing a safe space and guidance to help someone reach their full potential.

What song would play every time you walked into a room, and why?

"Brave" by Sara Bareilles because showing up and being yourself is always the best way to walk into a room!

Big Brothers Big Sisters. GREATER CINCINNATI
